Steph, I have not heard that. And I have been in contact directly with the Sheriff's aide. So far we plan on using the 2 mics as I asked you for and thankful for. So Paz may be misinformed or mistaken. So continue with my original plan in regards to the mic systems provided by the City. Thank u.

Hi Sergeant Hernandez,

I had just had a final walkthrough with Paz and she informed me that the Sheriff's Department will be brining in the sound system. I just want to confirm as with the City I only have the 2 mics that go into our house sound.

Thank you,

Hello Stephanie,

Our Sheriffs Headquarters Tech team was wondering if they can set up their equipment/cameras inside the community center the day of the event on Friday at May 6th at 11am . Will the Hall be available for them to set up? Let me know.

Thank you.
